Dear Friends:

Thank you for your kind invitation to join you in celebrating the University of Minnesota College of Liberal Arts' most accomplished students. While my schedule keeps me from being with you in person, I want to take this opportunity to commend tonight's honorees.

It is because of dedicated young people like you, that Minnesota's higher education system is regarded as one of the best in the nation; and it is because of the professionals that you will become, that Minnesota will continue to be a great place to live, work and raise a family. I thank you for doing your part to make sure that our state and our country continue moving forward. I am very proud to represent you in the United States Senate and look forward to working with you in the years to come.

I wish you well and thank you for your efforts because by strengthening your characters you are strengthening our future.

Sincerely,

Amy Klobuchar  
United States Senator
