

Recruit CLA Students

Use GoldPASS

GoldPASS is the University of Minnesota's job posting system where you can post employment opportunities, collect resumes, register for events, schedule on-campus interviews, be a career resource to students, and more. goldpass.umn.edu

Host In-Person or Virtual Interviews

Conduct in-person, phone, or virtual interviews on campus for your full-time and internship opportunities in our Interview Center, free of charge! To schedule a date, submit a request through the 'Interview On Campus' section of GoldPASS.

Attend Recruiting Events

Looking to meet hundreds of CLA students and build your brand quickly? Be sure to attend recruiting events such as the fall CLA Internship & Career Fair and the spring University of Minnesota Job and Internship Fair. Find these events in the 'Career Fairs/Events' section of GoldPASS.

Plan an Event

Host an information session, open house, networking event, or drop-in hours to connect with students. We can suggest space for your event on campus or advise you on planning a recruiting event at your location.

Build Your Brand

Meet CLA Students

Organization-sponsored networking events on or off campus are a great way to build brand awareness. Speak with an Employer Relations representative about your goals and interests. We can help you make it happen!

Host a Site Visit

Invite CLA students to your organization for a tour, presentation, and networking with your employees. This is an excellent way to meet students and discuss the value of a liberal arts degree.

Connect with Student Organizations

The U of M has hundreds of student organizations. Contact these clubs to learn about opportunities for partnering. gopherlink.umn.edu.
