BIS DEGREE PROGRAM - COLLEGE OF DESIGN

The minor programs below, housed in the College of Design, may be used as BIS non-CLA areas of concentration. **Students with concentrations in these areas may be required to take 1/2xxx-level preparatory courses, but only courses numbered 3xxx and above will be included in the BIS program. Students will need to declare the minor to have access to courses in these areas.**

Consult the links below to plan your BIS concentration. Contact desminor@umn.edu with questions.
